To Support at Helper Today.

I am giving my minor child (aged between 14 - 18) permission to create and maintain a profile on the website, helpertoday.com, including information related to the child's home town, skills and image. By signing this letter I agree that I have reviewed the terms and conditions, as well as the privacy policy and refund policy on the site.

Additionally, I am authorizing the use of my credit card, as detailed below, for the sole purpose of processing payment for subscription fee associated with maintaining a profile on this site.

I understand that I can select between a monthly, quarterly or yearly subscription plan and I will be required to resubmit a new, up-to-date form, each time the subscription period expires and required renewal. I realize that I can cancel my child's subscription at anytime in accordance with our cancellation policy (available on our website at [www.helpertoday.com/refund-policy](http://www.helpertoday.com/refund-policy) and have the profile removed from system immediately.

Additionally, I understand that I am solely responsible for my minor child's activities related to their profile and will not hold Helper Today responsible for any occurrences related to the type of service they are offering, the performance of services, the collection of monies or the relationship with their customers. I understand that Helper Today only provides a service in which people can connect with each other for services they need in their area and does not get involved in the actual work performed, money collected or the customer/provider relationship.

It is Helper Today's recommendation that you, as the parent or legal guardian monitor the activities of the child both online and while performing their service.

Please fill out the information below, sign and either scan and email or fax it back to Helper today at: [support@helpertoday.com](mailto:support@helpertoday.com) / FAX NUMBER.
